## From the Desk of the Manager...

I would first like to say thank you to everyone at Lakeside for welcoming me to your club. I have met a lot of great people here at Lakeside which has made me very excited to continue my career as Lakeside's General Manager. I would like to especially thank Tim, Angie, Sean and Janae for all their hard work in making this transition as easy as possible for me.

Second, I would like to thank all of the members for bearing with us during this transition period. We are working every day to get things back to where they need to be. We have several improvements coming to the club in the near future that will better everyone's experience here at Lakeside. We appreciate everyone's understanding and loyalty to the club throughout this process.

### Member Billing

We will continue to keep member credit cards on file for automatic withdrawal. However, at the first of the year we will ask for any member who would like to have automatic withdrawal, to give us your updated credit card information. We will send out the authorization forms as we near the beginning of the New Year. **Please address any future billing questions to Angie or myself.**

### Texting and Email List

- I am working with Rusty Bledsoe on getting a **texting** list lined up. This will allow for us to send a text directly to your phone with weekly specials and updates.
- If you are not on our **email list** and would like to be please let me know and we will be sure to get you added. Our email list is another great way for you to receive specials and get updates from the club.

### New Software

We are in the process of getting updated software that will not only improve your experience while at Lakeside, but also make monthly statements more clear and bill paying easier for you.

# Important Club Information

## ◆ **19th Hole Hours:**

We are going to be using "Winter Hours" now that the weather has started to turn cold. Please see the hours of operation listed below.

## ◆ **Holiday Party Bookings:**

December is booking up fast for family and company Holiday parties. Please contact the club, as soon as you can, if you would like to book a Holiday event. Dates are limited, so get your reservation in before we are full.

◆ **Meeting Room Space:** Are you or your business looking for a space to hold a meeting or conference during the week? Look no further than Lakeside! The Lounge and Banquet Room are both great places to hold meetings. Call for more information.

◆ **Automatic Gratuities:** If you order food or drink **and do not close out your ticket**, your account will be charged for the amount owed and an **automatic 18% gratuity** will be added. Please make sure to sign out before you leave. **These appear under the Srv Chg column on your monthly bill.**

## ◆ **WWW Update:**

**There will be NO WWW drawing on November 22.** Our weekly Wild Wing Wednesday pot is over \$7700! There is also a 50/50 pot. The proceeds from WWW goes towards club improvements and the 50/50 proceeds go to the Entertainment committee to support the bands on the patio all summer. Come out for your chance to win either pot...or maybe both?!

## ◆ **Late Payment Reminders:**

We cannot accept payments for member balances after the month ends without a 2% late fee. Timely payment avoid those late charges. If you need to make payment arrangements, please contact me by the 25th of the month. Also, any member who is over 60 days past due on their account cannot charge, and their name will be posted on the delinquent list located outside the office. If your account is over 90 days past due, your account will be involuntarily suspended, and will need to pay the full amount due in order to be re-instated as a member of the club. You will not be allowed at the club until your balance is paid in full.
